Documentation - Introduction

by Brian McCallister, Armin Waibel, Martin Kalén

This section contains the Apache OJB documentation.

Some additional information exists on our Wiki.

If you are new to OJB, we recommend that you start with reading the Getting Started section and the FAQ.

There are tools for building the metadata mapping files used by OJB. Information about them can be found here.

- Tutorials
  Tutorials for the API's supported by OJB.
- Reference Guides
  OJB reference guides.
- Howto's
  Practical hands-on HOWTO documents provided by both OJB users and committers.
- Testing
  Info about OJB's quality assurance and test writing.
